Building Department Permit Application

All building permit fees must be paid with cash or check only.

The following information may not be required for all building permit applications, but please complete the areas which pertain to your project. This is **not** a building permit. No construction can begin until a building permit is issued. Commercial construction or new construction requires **TWO SETS OF PLANS** from the contractor (**must be at least 24"x18"**). **Site plans must show:** boundaries and dimensions, proposed and existing structures, setbacks, roads, parking, sewer/septic facilities, and other pertinent information.

Electrical, plumbing, and mechanical permits are issued and inspected by the State of Idaho:
