LHTAC To Hold Open House for Bridge Replacement Projects

SHOSHONE COUNTY (January 4, 2024) – Three bridges over the Coeur d’Alene River in Shoshone County - the Bunker Avenue Bridge in Kellogg, the Two-Mile Road Bridge in Osburn, and the Silver Bridge just north of Enaville - are reaching the end of their service lives and need to be replaced. The Local Highway Technical Assistance Council (LHTAC) is inviting residents of these and neighboring communities in Shoshone County to an open house to learn about the plans to replace these structures. Community members are encouraged to come meet the project team and ask questions.

Event Details:

Date: Wednesday, January 17, 2024
Time: 4:00-6:00 p.m.
Location: Kellogg Department of Health and Welfare
35 Wildcat Way #B, Kellogg, ID 83873

“The reconstruction of these bridges will improve the safety of the local transportation network,” said Jessica Stutzke, Director of Shoshone County Public Works. “And these improvements will be a huge benefit for residents and businesses alike.”

“These rebuilt bridges may take some time, but they will certainly be worth the wait,” said Mike Fitzgerald, Public Works Director for the City of Kellogg. “Our project team is full of skilled professionals who only deliver the best work.”
